W.W. II Flight Nurses Assn

Thank you so much for including me & your gift of the scarf-

I believe several of my old friends are listed to you - Mary Leahy & Stella Makar - Emma Wriggles has passed on - We are fading away - I'm 91 now & of course, lots of health problems.

Enclosed a small donation to help defray your expenses.

I still remember - fond memories - of some of the Army to Air Force nurses.

Very Sincerely  
 Fran
